PAYMENT

- 90 % of the Bid price on completion of the delivery of the full bill of materials on site, 10 % after the installation has been successfully commissioned and running to the satisfaction of DCS, for a period of three months.
- 48 monthly fixed support and maintenance payments paid monthly in arrear. The first 12 months should be covered by the warranty.
- The Department will levy a penalty of 1% (one per centum) per month penalty equal to the value of the specific site should the contractor not have delivered the stock as per the agreement, until such stock is delivered to site.
